

Rana Pratap Higher Secondary School

Session-:(2021-22)

Holiday Homework

Class: VI

Dear students,

Vacations have begun meaning fun and frolic holidays are set to be a break from studies explanations and completing tasks . Keeping yourself engaged to beat the heat, we are providing a series of constructive activities to enhance your personality and learning process in your vacation time.

But it is more important to follow Necessary Guidelines to prevent COVID 19 Pandemic

- Always use Mask
- Sanitize your hands
- Wash your hands time to time

SUBJECT -SCIENCE

Comprehension and Learning

- Paste 5 herbivores animals ,5 carnivores and 5 omnivores animals in a colourful scrap file (with their names.)
- Observe the following picture carefully and answer the following questions :

- Which resource do you see in above picture?
 - What are the ways of getting this resource polluted?
 - How will you help to save this resource ?
 - Write five slogans on 'Resource Depletion '.
- (Do this question in project file also using A4 size coloured sheet)
